The Committee Representing the Residents Bordering the Anson Trust Playing Fields, Marcham

Dear Resident Near the Anson Trust field,

You may be aware that at the Information Meeting held by the Directors of the Anson Trust on 1<sup>st</sup> November, it was agreed to form a committee to represent the interests of those owning property in the vicinity of the Anson Field. The committee has been formed, but it is essential that it represents the view of the majority of residents involved, not merely that of the committee members.

We would be grateful therefore if you would please indicate for each member of your household your views about the proposals and return this letter to the committee member who gave it to you or to either of the addresses below by 12<sup>th</sup> December. Please tick one of the three boxes in one column for each member of your household (#1 to #6). As we want to know the views of younger residents too, please tick the lowest box for those less than 18 years of age. We also need to know who you are so please don't forget to fill in contact name and address and if possible please give a phone number. Please also let us have an email address if you would like occasional email updates on the work of NAF.
